WHAT MAKES US UNIQUE

RAS

Exclusive and Innovative RightOn! Adjustment System (RAS) featuring the largest adjustment range on the market.

Grip

The best shoulder grip assured. Our lining is designed, tested and checked so that the strap doesn't slip or stick.

Pick Holders

At least one pick holder built into all RightOn! guitar and bass straps.

Comfortable

Only the best quality latex is used for the strap padding so you feel fresh and comfortable for the whole gig.

Vegan

Eco-friendly materials in all our vegan straps, 100% free from all animal products. All made with the best raw synthetics, fabrics and natural fibers.

Design & Quality

Exceptional new materials added to the guitar strap world, best Italian velvets, metallized materials and quality embroidered ribbons.

7 Money Well Spent

Outstanding price-quality ratio for handmade straps.
